

## Third Transnational Project Meeting 14-15 November 2017 Florence, ITALY

### What did we do ?

The third project meeting was held in Florence, Italy from 14th to 15th November 2017 with 19 participants from Turkey, Italy, Latvia and Bulgaria. Main topics of the meeting were the project current situation, the Turkish NA feedback and the Memory lab.

We discussed future project activities, and in particular: The training in Latvia (April 2018), the website development, the 3rd newsletter preparation, partners local activities, the overall project cycle, budget tasks and next meetings.

### Main themes

Storytelling methods, Icebreaking tools and Memory lab game. At the beginning of the meeting a series of ice bracking games were played. The aim of the activities was to make the participants get to know each other. The programme continued with the Laboratory to elaborate memories and presentation of memories. All this activities were supervised by the host partner Sharing Europe - Ms. Serena Barilaro.

Guided visit to Le Carceri was a part of our cultural programme. We finished the day with the presentation of the project outcomes, local activities, project cycle and tasks made by the Coordinator-Kirşehir Governorship.

## What next?

On the second day we started with planning the LTT activity. The LTT event will take place in RIGA, Latvia between 29 April and 4 May 2018. Each partner will send 5 learners over 50 years old to learn about the softskills in a 5 days training. In Florence we discussed the target group - selection criteria, trainers and topics. The LTT event will cover activities and outcomes prepared through using soft skills gained by the participants. We finished the day with the Storytelling lab and Video recording.

The recordings of the voices are sent to partners and requested to be translated in English. The LT version is expected to be finalized before March meeting and IT version will be sent to be translated in February 2018.

**Next  
meeting:**
